The Stewards, having received a verbal report from the Clerk of the Course with documentary evidence attached, summoned the above crew members, have considered the following matter and determine the following:

Facts Failure by the crew to activate the OK button on the emergency console within one minute after stopping on Special Stage 9 on 18/08/2018, 11:00:39 hrs.

Offence Breach of Art 40.2.4 DMSB RyR

Decision The crew members will be jointly and severally liable to pay a fine of € 100.

Reason After their retirement on Stage 13 the crew was summoned by phone. The crew confirmed that they want to make representations and were heard by the Stewards on Sunday at 09:30 hrs. In their statement they explained they had technical difficulties. They admitted to activate the OK button "too late" at their stopping and forgot to press the OK button in the heat of the moment. They apologized for that lapse and promised to be better aware for the future.

The Stewards nevertheless consider that an infringement of Art. 40.2.4 DMSB RyR has been committed, also considering that it took 2:24 minutes in total until the crew activated the OK button and therefore the rally control had to check whether there is a case of emergency which needs further activities.

The crew is reminded of their right to appeal according to the statement of right of appeal which is part of this decision (see attachment)
