**Subject:** STEWARDS DECISION NO. 4 **Document No:** 2.5

**To:** The Competitor of car No. 98 EVEN MOAN  
 Crew EVEN MOAN / GLENN BJØRNRUD

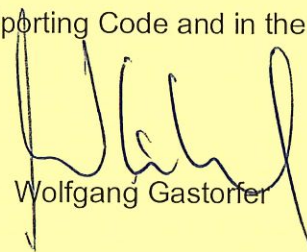

The Stewards, having received a report from the FIA Technical Delegate, summoned the above crew members or, at their discretion, a competitor's representative, have considered the following matter and determine the following:

- Facts** The above addressed crew used non-homologated tyres during special stages 10 and 11 on Saturday, 18.8.2018.
- Offence** Breach of Art. 60.1 of the 2018 FIA WRC Sporting Regulations in conjunction with Appendix 9, Art. A9.4 of the Rally Supplementary Regulations.
- Decision** **8 minutes time penalty.** The competitor is required to use homologated tyres for the remainder of the rally.
- Reason** The Stewards heard the crew on Saturday, 18.8.2018 at 22:10 hrs. The crew explained that before the rally they had asked the organiser about tyres and were told *"The make and model of tyres for cars in classes NAT2 and NAT4 are free, as long as they comply with Art. 60.1 of 2018 FIA WRC Sporting regulations."* The Stewards were provided an email as an evidence in this regard. After having carefully read the regulations, the crew concluded that they could use these tyres in question. They apologized for this lapse and confirmed that for the remainder of the rally they will use homologated tyres.

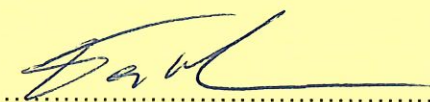

The right to appeal this Decision is stipulated in the 2018 FIA International Sporting Code and in the 2018 FIA Judicial and Disciplinary Rules.
